14:30	Break
14:40	Part 2: Mitigations and solutions
14:50	Group exercise 2
15:15	Feedback and prioritisation
15:30	Close

About the Faculty of Public Health

- FPH is a membership organisation for 4,000 public health professionals across the UK and world, and registered charity.
- Our role is to improve the health and wellbeing of local communities and national populations.
- We support the training of public health professionals, new research, and campaign to improve health policy.

FPH's interest in free trade and investment agreements

- Transatlantic Trade and Investment Partnership
- 'Do no harm' clause into the Great Repeal Bill
- 'Healthy' post-Brexit FTIAs
- A 'blueprint' for the UK's future relationship with ECDC

Aims and objectives for the afternoon

To inform as a sector thinking on a statement on using FTIAs to protect and improve the public's health and wellbeing.

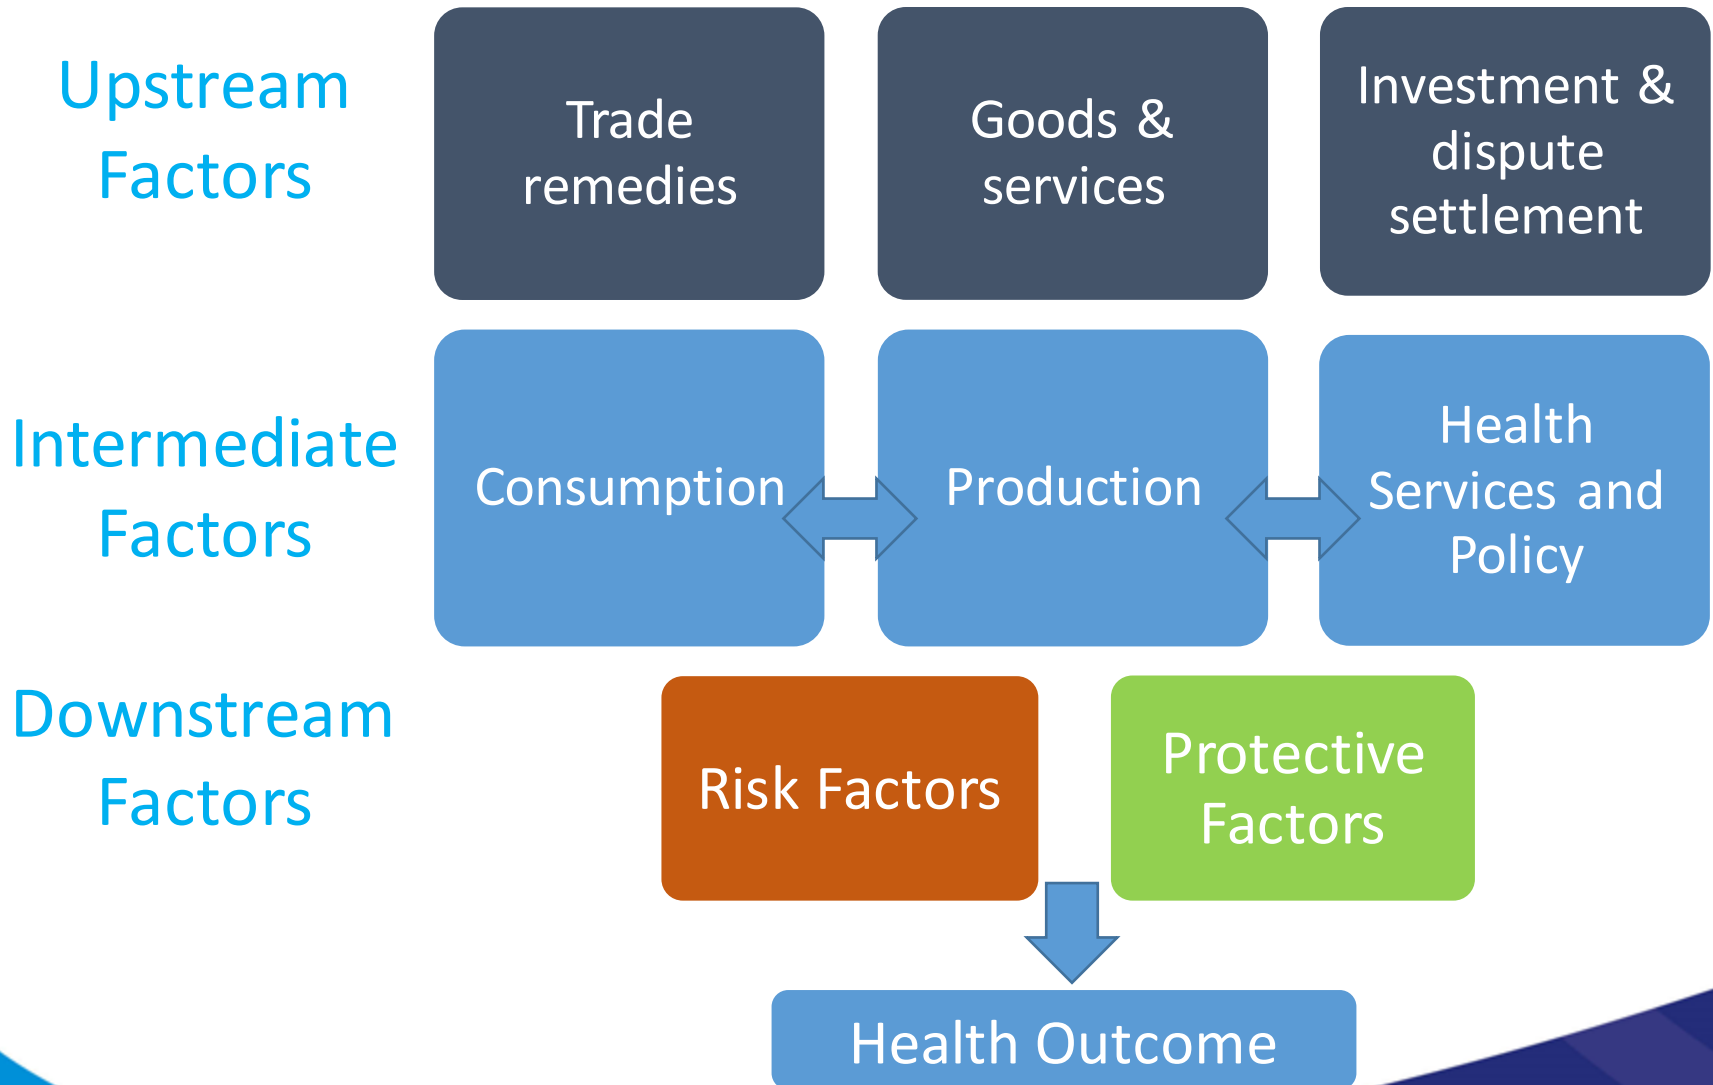

Part 1

1. Reflect on and prioritise the risks of FTIAs for NCDs

Part 2

2. Consider how to make FTIAs 'healthy' (mitigations and policy solutions)

Recap: Impact of Trade Agreements on NCDs

Group exercise 1

Our task for the next 50 minutes...

1. Consider the risks FTIAs pose to public health **15 mins**
2. Feedback **15 mins**
3. Prioritising the risks FTIAs pose to NCDs **10 mins**

Chatham House rules

Please be back and ready to start our next session by 14:40

Part 2: How can we use free trade and investment agreements to protect and improve the public's health and wellbeing?

Group exercise 2

Our task for the next 40 minutes...

- Consider the mitigations (and policy solutions) **15 mins**
- Feedback **15 mins**
- Prioritisation **10 mins**

Chatham House rules
